

OCEAN INTERNATIONAL HOTEL

Ocean International Hotel has a COVID Accommodation Health Management Plan in place as per requirements under the Chief Health Officer Public Health Direction Non-essential Business, Activity and Undertaking Closure Direction.

We always maintain high hygiene standards to protect the health and safety of our guests and staff. Galleons restaurant is operating with social distancing rules in place.

SAFETY FIRST

Due to the coronavirus outbreak to protect yourself and others, practice good hygiene, practice social distancing and self-isolate if you need to.

CORONAVIRUS (COVID-19) HEALTH REQUIREMENTS

Minimise the risk of exposure to COVID-19 in your workplace and help limit the spread.

HOTEL SANITISING CONTROL MEASURES

The hotel has implemented control measures to minimise the risk of exposing guests and staff to the COVID-19 virus. Frequently touched areas and surfaces are cleaned at least 3 times per day

Eg. sanitising station at reception and common areas, regular cleaning and disinfecting of frequently touched surfaces like lift buttons, door handles, taps, handrails, benches, tables and chairs etc. If possible, guest rooms are being aired out for 72 hours between stays.

HOTEL GUESTS AND STAFF

Have a duty to take reasonable care of their own health and safety and ensure that their actions or omissions do not adversely affect the health and safety of others.

Guests and staff should stay at home if they are sick and seek medical advice if they have a fever, cough, sore throat or shortness of breath (call your doctor or [Healthdirect](#) on [1800022222](#)).

MANAGING THE RISK OF EXPOSURE TO COVID-19

Guests and staff must adhere to the following COVID-19 Health Advice Notifications displayed throughout the hotel.

- KEEPING YOUR DISTANCE

Help stop the spread of coronavirus by keeping your distance. Remember, don't shake hands or exchange physical greetings. Wherever possible stay 1.5 metres apart and practise good hand hygiene, especially after being in public places.

- SIMPLE STEPS TO HELP STOP THE SPREAD

Cough or sneeze into your arm. Use a Tissue. Bin the tissue. Wash your hands with soap and water for 20seconds.

- GOOD HYGIENE IS IN YOUR HANDS

Wash your hands thoroughly with soap and water for at least 20 seconds to prevent passing on germs. Dry your hands.
